

Maximize your hiring ROI with CLARA

Hiring isn't just filling seats—it's investing in the future of your business. But when hiring stalls, so does ROI—on the tools you've bought, the teams you've built, and the momentum you're counting on.

Hiring by the numbers

Even with great tools and teams, hiring is slow, frustrating for applicants, and costly for companies.

Global Averages

"This is saving us 7 to 10 minutes per resume. That's an incredible amount of time that can then be reallocated."

— Director, Global Talent Acquisition & HR Operations
